PAOLA NAVONE

Un'icona senza tempo nasce dalla semplicità. Il divano Budapest, il primo progettato da Paola Navone per Baxter, rappresenta l'eleganza dell'essenziale, di un design lineare e componibile, che regala un comfort quasi inatteso. La scocca rigida contiene i cuscini ampi e avvolgenti della seduta, limitati da volumi rigorosi solo nell'aspetto. La sensazione di comodità è elevata dall'aggiunta di pouf e morbidi cuscini decorativi. I dettagli delle cuciture della pelle che riveste l'imbottito donano al divano Budapest una sensazione di raffinata naturalezza, rendendolo il protagonista di ogni stanza che abita.
