

Consoles

Eiffel

A console with an important metal frame: on its own it furnishes a space, elegant and slender. Eiffel has an oval top in wood, stoneware or lacquered glass.

CONSOLE WITH ORIGINAL BASE

The Eiffel console has a base formed by metal blades that converge in the center to support an oval top, which is available in wood with a 30-degree sloping perimeter edge, lacquered glass or stoneware.

FURNISH BY COORDINATED CONTRASTS

The Eiffel console gives the room in which it is placed a strong yet welcoming impact. It stands out without overpowering, as can be seen in its combination with the Selene mirror, which features a refined geometric pattern for effect.

FINISHES

Look at the material finishes available for the Eiffel console and choose the ones best suited to decorate your space.
