

Stool

Joelle

The Joelle stool, with its wooden frame and upholstered backrest, is part of a family of cosy and comfortable seats designed to adapt gracefully to a variety of environments, from the kitchen island to the bar area of a club. A stool that embodies the essence of form, elegance of design and meticulous attention to detail.

FRONT AND BACK WITH DIFFERENT TEXTURES

Joelle's customisation reaches the pinnacle of creativity, allowing you to experiment with a mix of different styles and materials for maximum visual impact. Different finishes can be selected for the front and back of the stool, opening up a world of design possibilities: eye-catching combinations such as fabric/fabric for a harmonious effect, fabric/eco-leather for a fusion of textures, woven fabric/eco-leather for an intriguing style or woven eco-leather/eco-leather for a touch of timeless elegance.

FINISHES

Joelle allows you to further customise its design by offering the possibility of choosing a different finish for the back of the backrest than the front. Discover them all.
