

Series composed of pad, pouf and cushion.

The natural materials featured in the Eres collection can be used outdoors, but not be directly exposed to the elements, and require some extra attention and care than traditional outdoor furniture. These products need to be used under a stable cover and to be protected overnight. It is also recommended that they are sheltered indoors for seasonal protection. Some of the materials will mature and will change appearance and colour over time. And this will naturally happen .

Pad: Chainette tubular knit made of linen padded with cotton, woven by hand.

Pouf and cushion padding: polypropylene microspheres, fixed cover in three dimensional 100% polyester fabric.

Pouf and cushion upholstery: fixed, woven by hand with Chainette tubular knit made of linen and padded with cotton.

Notes:

The product can be used also in interior environments.

We advise to use a Winter Set protection cover.
